

The Occasion Day on Saturday the 13th of January

On the 13th of January the office in the Netherlands was open for public and a selective group of members of Stage Accompany for the special organized Occasion Day. We had invited several clients to get a glimpse of everything that takes place in the Head Office and the factory of Stage Accompany. Also they got the opportunity to sell and buy occasion equipment and get acquainted with each other on this day.

We got a lot of visitors this day and we also got many positive reactions. Check our website for the date of the next upcoming occasion day.

Authorized Logo Partner all the way in Seoul, South Korea.

Our sales representative went all the way to Seoul to hand over the official Logo Partner certificate to Best Leading Solutions Co.Ltd. BLS is now the official Logo Partner of Stage Accompany in Seoul. In the picture you see the photographs of the gathering with BLS and our Technical Product Support Far East, Mr. Daniel van Amersfoort. Mr. Hong-Seo Ahn is president of Best Leading Solutions Co. Ltd (in the right of the photograph) and in the left of the photograph you find Mr.Seok-Seong Pyo, Director of Sound Reinforcement Divisions.

Improving and improving the website.

Let us hypnotize you!!!!

Witness, behold and contemplate the fractal in the main screen of our website www.stageaccompany.com. Welcome into the world of astonishment. Feel free and let your mind go!

We have been updating the website for a long time now and in result of that you can witness the Friends series fully on the internet. And above of all that you can buy the Friends series in our web shop. More developments will follow.

Did you notice the changes on the website? Watch and see if you can notice the differences. If you have any suggestions to refresh and update our website, your feedback is very welcome!

More celebrities are using Stage Accompany

Ilse de Lange gave a performance with the AB36 series in December last year. Stage Accompany equipment was very well represented on stage.

There were 4 x AB36 systems and 2 x ES40 in use to make it a perfect show. Our sales representatives were present and they witnessed a spectacular concert. The combination of a great singer and the SA products resulted in an impressive show.
